

# Hope for Iraqi Christians

## ADOPT A *refugee* FAMILY

More than 200,000 Iraqi Christians -- men, women and children -- have been forced from their homes over the last 10 months. The Islamic State is wiping out the Iraqi Christians from the map. No place left that bears the name of Christian or Christianity in the area controlled by ISIS.

The media may have stopped talking about them, but the Iraqi Christians are still suffering and facing an uncertain future, without even the bare necessities to survive.

Please join us to offer hope for Iraqi Christians refugees displaced by ISIS. Adopt a refugee family for \$100 a month and make them your extended family. You can have direct communication with them to ensure receiving your 100% tax deductible gift. Other donation options are available at our website; [www.hopeforiraqichristians.org](http://www.hopeforiraqichristians.org)

**100% of all donations are sent directly to the families in need!**  
**4 levels of transparency**
